

## GLENFIDDICH

# 15 YEARS OLD

The unique process that led to the creation of our 15 year old expression was masterminded by David Stewart, our fifth malt master. The liquid matures in Spanish sherry casks and American Bourbon casks. It's finished in new American oak. Finally, we add it to a one-of-a-kind Solera vat, imparting both sweetness and intensity.

## COLOUR

The rich, amber hue reminds me of a honeycomb, perfectly matching the sweet, delicious aroma and honey-like taste.

## NOSE

When nosing this expression, the first thing I always experience is a sweet, floral aroma that makes me think of the heather that grows around the distillery. This sensation develops into vanilla fudge and dark fruit as the flavour unfolds.

## TASTE

For me, this has to be one of the smoothest single malts in our collection, with layers of oak, sherry and marzipan combining together to create a rich, rewarding taste. A second sip will often reveal subtler notes of cinnamon and ginger on the palate.

## FINISH

Our Solera Vat gives our 15 year olds its unique finish. It's sweet, vibrant and as mellow as you'd expect. The finish fades out slowly, leaving you with a warm, satisfying, lingering taste.
