

GLENFIDDICH

RICH OAK

Our experienced coopers will tell you that a great deal of a single malt's flavour comes from the casks it matures in. We mature our Rich Oak expression for at least 14 years in American and Spanish oak, before finishing it in virgin casks for up to twelve weeks to add depth and intensity.

COLOUR

The rich golden colour of this expression always reminds me of the carefully selected oak casks we mature this expression in.

NOSE

It's a complex single malt and you may find yourself experiencing fresh fruit that develops into spicy oak and vibrant vanilla, followed by rich, darker fruits as the liquid in the glass warms in your hands.

TASTE

This expression has a sweet taste that develops into a rich variety of flavours. I get lovely toffee notes, caramelised fruits, sometimes even a hint of vanilla. In your second sip, you'll find the spicy notes really come through, adding greater depth.

FINISH

This expression has a lively tingle at the finish. The spicy notes slowly build up to a rewarding intensity for a long lasting and warming finish with hints of nuttiness and rich oak imparted by the virgin American and Spanish oak casks.
